*Total prices listed are approximate and may differ depending on elective units of competency chosen for the program. For a full break down of prices per unit, please refer to the eligibility requirements on each relevant course page.

Fee Disclaimer: Fees are subject to change in accordance with applicable Queensland Government funding requirements at the time of enrolment in the individual Unit of Competency.

Fees are charged at \$1.60 per nominal hour for each unit of competency/module. Concessional prices apply to participant who fall into one or more exemption categories listed on our Funding page.

No fees are charged where the participant falls into one or more of the following categories:

- A credit transfer applies to a unit of competency/module
- The participant is a school-based apprentice or trainee
- The participant is eligible to access the free apprenticeships for under 25's initiative (where applicable)

Eligibility criteria to access government funded program applies. Refer to our funding page or the individual course page for more information. Please refer to our policies located in the footer of our website, such as the Student Handbook and Student Fee Refund Policy for more important details.
