Introduction

Thank you for expressing an interest in this short course, which comprises the unit of competency *CPCBC4010B Apply structural principles to residential low-rise constructions*.

This course specifies the outcomes required to apply structural principles to the erection or demolition of low-rise residential structures using conventional methods. The course addresses those structures classified by the Building Code of Australia (BCA) as Class 1 and Class 10. Knowledge of the application of structural principles in accordance with Australian Standards is essential.

This course supports the needs of builders, site managers, forepersons and other managers in the building and construction industry responsible for overseeing and managing the demolition or erection of structures.

The training you will undertake for this course is nationally accredited training. On successful completion of the course, a Statement of Attainment will be issued to you through Blue Dog Training.

This unit of competency may also be used as a core unit in the qualification CPC40110 - Certificate IV in Building and Construction (Building). More information on this unit of competency is available at <https://training.gov.au/Training/Details/CPCBC4010B>

Please take time to read the information in this document as it is very important you select the right course for you.

Course Details

The **Blue Dog Training** flexible course structure allows you to fit your study into your work, family and social commitments.

Completion of the course will require you to:

- ✓ Undertake directed self-paced research and study
- ✓ Complete and submit the assessment activities outlined in the Assessment Workbook developed for this unit of competency
- ✓ Submit a Third Party Report completed by a Qualified Person (a builder, building supervisor, construction team leaders or construction manager) who works with you and can verify your practical skills and knowledge
- ✓ Undertake an assessment conversation with a **Blue Dog Training** assessor.

A learner is able to commence this course at any time throughout the year.

The length of the course is 160 nominal hours. It is expected you will complete the course within sixteen weeks or four (4) months from enrolment.

You have a maximum of three (3) submission attempts to successfully complete the assessment activities for this course.

If you are not deemed competent after the third attempt, you will be required to re-enrol in the program.

Resources

- ✓ Resources you will require for the course are:
- ✓ Computer and printer
- ✓ Internet access for research and information, including relevant codes, standards and government regulations
- ✓ Access and application of Adobe Acrobat pdf reader is essential. Excel or similar software is not essential; however, it may be beneficial to the learner during self-directed research activities to process and manage information
- ✓ Commitment and environment conducive to self-paced study.

Authenticity of Assessment

The assessment work you submit as evidence of your knowledge, skills and experience must be completed by you and not anyone else. BDT's assessment judgement processes will enable this authenticity to be confirmed through the final discussion that a BDT Trainer and Assessor will have with you once your assessment evidence has been submitted and reviewed.

This discussion takes the form of a 'competency conversation' and is designed to confirm, through open-ended questions, how you have applied your knowledge and skills related to the evidence you have provided. Once it has been conducted it enables the BDT assessor to make their professional judgement knowing that all of the 'Rules of Evidence' have been applied.

Training Costs

The cost of your course will depend on whether or not your training is being subsidised through Construction Skills Queensland (CSQ) or if you are undertaking the course on a fee-for-service basis.

To be eligible for subsidised training, you will need to meet eligibility criteria determined by CSQ.

Places for subsidised training are limited and available on a 'first come first served' basis.

1 CSQ – Short Courses General Construction Program

As a CSQ Registered Training Supplier (RTS), [Blue Dog Training](#) is proud to be able to offer this course under the CSQ Short Courses General Construction program. The program is targeted to existing workers in the building and construction industry.

If you are currently working in the Queensland building and construction industry, you may be eligible for CSQ funding to undertake this course.

If you are eligible for funding, CSQ will contribute up to \$750 towards the cost of your course, reducing your student fee to \$100. This student fee amount must be paid on enrolment. (Refer to the [Blue Dog Training](#) website for details of when this student fee may be refunded.)

To be an eligible participant for this program you must meet the following criteria:

a) You must be:

- ✓ An existing worker* in the building and construction industry; and
- ✓ An eligible worker**; or
- ✓ An unemployed eligible worker***

b) And you must be:

- ✓ An Australian or New Zealand citizen; or
- ✓ A permanent resident of Australia; or
- ✓ A holder of a refugee or humanitarian visa

c) And you must:

- ✓ Permanently reside in Queensland; or
- ✓ Be permanently employed in Queensland.

**Definitions:**

- ✓ *An **existing worker** is a current employee in the Building and Construction Industry who has a one month or more employment relationship with their employer. The working relationship can be built up through full-time, part-time or casual employment or engagement as a contract worker.
- ✓ **An **eligible worker** has the same meaning as the *Building and Construction Industry (Portable Long Service Leave) Act 1991* as amended from time to time.
- ✓ ***An **unemployed eligible worker** is a person who has been unemployed for a period of no greater than 6 months that would otherwise meet the requirements of an Eligible Worker.

You are NOT an eligible participant for this program if you:

- ✓ Are an employee of any Authority (excluding employees of an Indigenous Council that is a Principal Contractor)
- ✓ Are currently enrolled and participating in a Queensland secondary school program (excluding a school-based apprentice or trainee)
- ✓ Are a contracted trainer and assessor or existing worker of an RTO
- ✓ Have previously been funded under this program for eight (8) other short courses (general construction) in the same contract term
- ✓ Have been funded by an Authority or other such source for the delivery of the same training being undertaken as part of this program
- ✓ Are seeking verification of competency (or determination of competency) services or
- ✓ Do not meet the participant eligibility criteria outlined in points (a), (b) and (c).

Further information regarding the CSQ Short Courses General Construction program can be found at <http://www.csq.org.au/about-csq>

2 Fee-for Service

Under fee-for-service arrangements, the full cost of the course is \$460. This amount must be paid in full at the time of enrolment.

How do I make payment for my training?

Payment can be made via Direct Deposit or Credit Card. Further details are available on the enrolment form.

How do I enrol?

Once you have made your decision, you will need to complete an enrolment form which is available on our website.

Before you enrol, you must read the [Blue Dog Training Student Handbook](#) which is available on our website. This Student Handbook provides information about the training services, procedures and policies of [Blue Dog Training](#). As part of the enrolment process, you will be asked to agree to abide by these policies and procedures.

To confirm your eligibility for CSQ funding, you will need to provide **at least one item** from each of the columns below.

Proof of Citizenship/Permanency	Proof of ID	Proof of Employment
Green Medicare Card	Qld Driver's Licence	Letter from Employer (Template available)
Australian or New Zealand Passport	Rates/Utilities Bill	Payslips
Australian Birth Certificate	QLD bank Statement	Invoices showing your name, business name, dates, ABN & tasks completed.
Permanent Residency Visa	QLD Vehicle Registration Certificate	

For your enrolment as a fee-for-service student you will need to provide photographic evidence such as a Drivers Licence or Passport.

When can I start?

Once your application has been processed and your payment receipted, you will receive an email containing your login details.
